For S.

We have been requested to offer to facilitate a trip for you to Italy via France, if you wish to go.

If it is all right for you to leave Switzerland we would have one of our representatives meet you at Annemasse to facilitate your entry into France and your trip to Italy. We are making the same offer to Medigliani.

If this idea meets with your approval you might pass me a message by the same route. However, I will not be available in Zurich for about a week, as I am working in my friend's office in Bern. I could see you any night at his apartment in Bern, if you so desire. He is absent for at least a week.
