~~Suggested~~ or American broadcasts
Suggested radio slogans to Italy.

~~1/1/45~~

1. Fascism is defending, not Italy, but itself, its dictatorship, its crimes, its privileges.
2. We are coming, not against Italy, but against Fascism.
3. We are coming to set free from the prisons and the concentration camps the antifascist Italians of all parties, guilty of having loved freedom and peace.
4. We are coming to help Italians to win back their civil rights and give themselves a government corresponding to the will of the people.
5. We are coming to help the Italians to get rid of the Fascist corporations and to rebuild free trade-unions and free Chambers of Labour.
6. We are coming to destroy the lying and venal Fascist press **AND HELP THE** Italians to ~~reestablish a just and equitable judicial system independent of all parties~~ give themselves a press which will be a free expression of public opinion.
~~Text: reestablishing a just and equitable judicial system independent of all parties~~ **Special Tribunal**
[Scandinavian]
7. We are coming to suppress the infamous and partisan Special Tribunal and help the Italians to reestablish an equitable judicial system, independent of all parties.
8. We are coming to destroy the OVRA the Militia and the Fascist squadrons and liberate the Italians from the terror of a corrupt minority.
9. We are coming to ^{help} ~~liberate~~ the Italians get rid of the racketeering bands and Fascist commercial associations.
10. We are coming to make war on Fascism and bring peace and freedom to the Italian people.
