Resolution of the Italian Socialist Party.

The Executive Committee of the Italian Socialist Party addresses to the governments of the United Nations an urgent request to make clear their war aims with respect to the Italian people.

They consider it indispensable to obtain an authorized and public reply to the following questions:

1. Will the distinction between the Fascist regime and the Italian people inspire the peace conditions which will be offered to the Italian people?
2. Will Italian national territory, as it existed at the outbreak of the present war, be respected?
3. Will the rights of the Atlantic Charter also be guaranteed to the Italian people?

The Executive Committee of the Italian Socialist Party attributes a vital importance to the answers to these three questions.
