The following message is from M. for S.

Instructions from you with regard to preparations for a general strike were never received by me. You informed A. in August of general strike declaration.

In Mexico City a branch has been formed recently. It has repudiated Frola and taken a stand for us.

Financial requests should be made directly to A. through this channel. A short report on the situation is desired by him.

\$150,000 of the \$250,000 fund for the re-building of the unions in Italy has been collected by the Italian-American Labor Council.
