

cool and experienced head.
Therefore, S's

PLANS

are to go to Italy. Before he goes he wants to see you (if possible together with your mutual friend R). Firstly, he must be able to say he has talked seriously with the Americans. Secondly, he would like to propose a deal that if he can have his four points listed above, then he will not try to put over any ~~other~~ other socialist doctrine (e.g. expropriation of factories).
